BS

Base piana per montaggio superficiale
 Flat base for surface mount
 Base pour montage à plat

PR

Prolunga 10 cm
 10 cm extension
 10 cm de prolongation

KIT

Base piana per montaggio superficiale con estensione di 10 cm
 Flat base for surface mount with 10 cm extension
 Base pour montage à plat avec 10 cm de prolongation

KIT SS L10 - L20 - L40

Base piana per montaggio superficiale con estensione in acciaio INOX di 10 cm (disponibile anche con misura 20 e 40 cm)
 Flat base for surface mount with 10 cm stainless steel extension (also available in 20 and 40 cm sizes)
 Base pour montage à plat avec extension en acier inoxydable de 10 cm (aussi disponible en taille de 20 et 40 cm)

BP1

Base parete per montaggio laterale
 Wall base for side mount
 Support fixation en applique (à filetage simple)

BP2

Base parete per montaggio laterale di 2 colonne
 Wall base for side mount of 2 towers
 Support fixation en applique (à double filetage) pour 2 colonnes lumineuses

SB

Staffa in acciaio INOX per montaggio laterale con pressacavo 1/2" NPT
 Stainless steel bracket with 1/2" NPT cable gland
 Support en acier inoxydable avec un presse-étoupe 1/2" NPT

M16

Base piana per montaggio superficiale con pressacavo M16
 Flat base with M16 cable gland for surface mount
 Base pour montage à plat avec presse-étoupe M16
