

## Boa Out Wall

### Luminaire specifications

Material	Aluminium
IP rating	IP 65
Use	Outdoor
Cut-out	Not applicable
installation depth	Not applicable
Weight	1,1 kg

### Electrical

Driver	Incorporated
Dimmable	Mains dimmable RC
Connection	230V 50-60Hz AC
Dali	Not applicable

### Features

- \* Energy saving - high luminaire output
- \* 230V power supply, converter incorporated
- \* Available in :
  - Textured Black + Gold reflector
  - Textured Black + Anodised reflector
  - Textured White + Anodised reflector
  - Textured Grey + Anodised reflector
- \* All internal screws are Inox A4
- \* Standard Deviaton Color Matching = 3
- \* LED lifespan 50.000 hours L80
- \* 5 years warranty

### Light source

Type	Clara AC	
Power max	10W	
Color Temperature (CCT)	2700K	3000K
CRI	90	80
LED output	1050 lm	1050 lm
LUMINAIRE output	700 lm	700 lm

### Optics

UGR	Not applicable
Beam angle	Lambertian

### Photometric data

\* Soon to come
