

GBD501614E9016

#### **Uitbreiding binnenhoek voor GBD5016109016**

#### **Technische eigenschappen**

##### **Afmetingen**

|         |        |
|---------|--------|
| Hoogte  | 56 mm  |
| Breedte | 163 mm |

##### **Toebehoren**

|            |                 |
|------------|-----------------|
| Toebehoren | Dekselonderdeel |
|------------|-----------------|

##### **Configuratie**

|             |    |
|-------------|----|
| Overlappend | Ja |
|-------------|----|

##### **Instellingen**

|            |          |
|------------|----------|
| Hoekbereik | 97 - 140 |
|------------|----------|

##### **Installatie, montage**

|                 |     |
|-----------------|-----|
| Bodemperforatie | Nee |
|-----------------|-----|

##### **Materiaal**

|                        |                                       |
|------------------------|---------------------------------------|
| Materiaal              | Acrylonitrile-Butadiene-Styrene (ABS) |
| Oppervlaktebehandeling | Onbehandeld                           |
| Kleur                  | Verkeerswit                           |
| RAL-kleur              | 9016                                  |

##### **Veiligheid**

|                 |      |
|-----------------|------|
| Slagvastheid IK | IK07 |
|-----------------|------|

##### **Uitrusting**

|                     |                        |
|---------------------|------------------------|
| Met beschermfolie   | Nee                    |
| Gerelateerde Series | GBA 50x161, GBD 50x160 |
